

**Connecticut HIV/AIDS
Housing Directory 2004**

Introduction

ABOUT TAP

TAP is the Technical Assistance Program of Victory Programs, Inc. TAP has worked to create and maintain a continuum of housing options for people infected with—and affected by—HIV since its creation in 1991 as the AIDS Housing Corporation (AHC). AHC became TAP when it merged with Victory Programs, Inc., in 2010. Today TAP is New England's leading provider of technical assistance to organizations which sponsor AIDS housing programs.

ABOUT THIS DIRECTORY

This HIV/AIDS Housing Directory is intended to provide information to assist people living with HIV/AIDS—as well as to their case managers, housing advocates, and other interested individuals—to locate appropriate housing. This directory provides basic information about the programs listed: the types of programs they are, their locations, the supportive services they offer, and how to contact them.

This directory was published in 2004 for all six of the states in New England. The directors of HIV/AIDS housing programs can help to ensure the entries in this directory are accurate and up-to-date. Directors of HIV/AIDS housing programs are requested to review the entries for their particular programs from time to time and to contact us with corrective and/or up-dated information as appropriate. Please contact us by e-mail at tapinfo@vpi.org. Thank you.

ABOUT HOUSING

There are various types of housing programs and various types of rental subsidies. The terms used to describe different types of programs and different types of subsidies can be confusing. The list of terms below is meant to help the users of this directory to clarify any such confusion.

S+C PB

Shelter Plus Care Project Based Rental Assistance

This is a subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, for hard-to-reach homeless individuals and families. It is "attached" to a specific project and cannot be used at another location (i.e., it is not "mobile").

S+C TB

Shelter Plus Care Tenant Based Rental Assistance

This is a subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, for hard-to-reach homeless individuals and families. It is "attached" to the individual or family and can be used in the community (i.e., it is "mobile").

S+C SB

Shelter Plus Care Sponsor Based Rental Assistance

This is a subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, for hard-to-reach homeless individuals and families. It is assigned to a housing authority or to a non-profit organization which can then sub-lease a unit to a tenant.

S+C Mod/Rehab

Shelter Plus Care Moderate Rehabilitation

This is a subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, for hard-to-reach homeless individuals. It is assigned to a housing authority or to a non-profit organization to rehabilitate buildings for units to be leased to tenants.

SRO Mod/Rehab

Single Room Occupancy Moderate Rehabilitation

This is a subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, for hard-to-reach homeless individuals. It is assigned to a housing authority or to a non-profit organization to rehabilitate buildings specifically for SRO (Single Room Occupancy) units to be leased to tenants.

HCVP PB

Housing Choice Voucher Program Project Based Rental Assistance

This is a subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, that is "attached" to a specific project and cannot be used at another location.

HCVP TB

Housing Choice Voucher Program Tenant Based Rental Assistance

This subsidy, funded under the federal McKinney/Vento Homeless Assistance Act, is for low-income individuals and families and other populations, that is "attached" to the tenant and can be used in the community (i.e., it is "mobile"). It replaced the voucher program formerly and commonly called "Section 8."

811

Section 811 of the federal McKinney/Vento Homeless Assistance Act

This federal funding provides funding for the building or renovation of housing for low-income people with disabilities; the subsidies of a project funded by 811 must be used in that project.

HOPWA

Housing Opportunities for Persons With AIDS

This federal program provides flexible funding for subsidized housing and supportive services for individuals and households with HIV/AIDS.

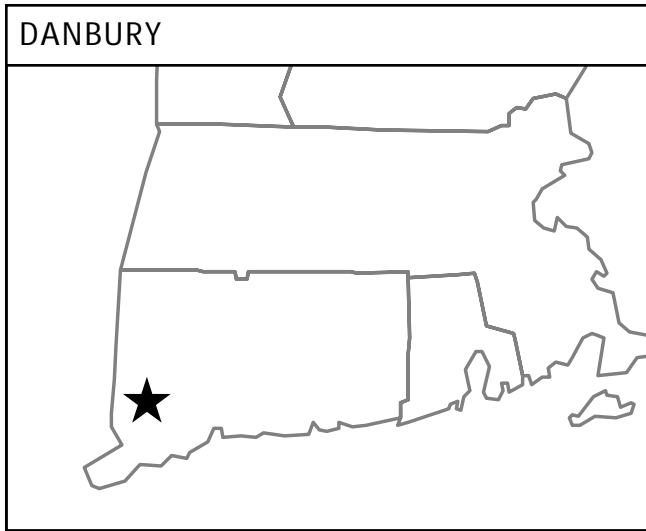

SHP

Supportive Housing Program.

This program, funded under the federal McKinney/Vento Homeless Assistance Act, provides housing (subsidies) and supportive services for homeless individuals and families.

AIDS Project Greater Danbury

Serves 10 individuals and families living with HIV/AIDS.

STAFF CONTACTS

Mark Define, Director

30 West St., Danbury, CT 06810

Voice: 203.778.2437 | Fax: 203.743.1439

Mercy Housing & Shelter Corp.

Serves 62 individuals and families with HIV/AIDS.

STAFF CONTACTS

Sr. Pat McKeon, Executive Director
211 Wethersfield Ave., Hartford, CT 06114
Voice: 860.808.2050 | Fax: 860.808.2051

BACKGROUND

The scattered site program serves individuals living with HIV/AIDS and their families who are relatively independent and need supportive services. The group residence serves single men and women who are at risk of homelessness and have a history of substance use or mental illness. The scattered site program serves women and their children who are in recovery. People coming out of treatment centers and correctional facilities are welcome.

SETTING

The group residences are handicapped accessible. The 44 scattered site apartments are in the greater Hartford area.
