OPENING DOORS TO HOPE, HEALTH AND HOUSING  
annual report 2015

## Our mission

Victory Programs opens doors to recovery, hope and community for individuals and families facing homelessness, addiction or other chronic illnesses.

## Our dedication

Victory Programs proudly dedicates our 2015 annual report to:

**Sheila Dillon**, *Chief of Housing and Director of the Department of Neighborhood Development (DND) for the City of Boston* and **Chrystal Kornegay**, *Undersecretary for the Massachusetts Department of Housing and Community Development (DHCD)*; key partners assisting Victory Programs in navigating the complex prospect of rebuilding two new community-based residential recovery and treatment programs. Sheila and Chrystal's coordinated leadership gave Victory Programs the encouragement to begin restoring two new, vitally-needed homes for Boston's most vulnerable, marginalized and neglected women: "New Victories for Women" and our "New Joelyn's Home."

And...

**Joseph Smith** and **Scott Popkowski**, the best pals to everyone at Victory Programs, and especially to our many members at the Boston Living Center! Joe and Scott's commitment to caring and compassion for those with HIV/AIDS inspire us every day to always believe in the promise of hope.

# dear friends of victory programs

All roads lead home. These four simple words are at the heart of our 40-plus-year story. Returning home defines the intrinsic mission of each of Victory Programs' indispensable, groundbreaking services and the ultimate goal of each individual client or member. No matter where an individual's journey starts, regardless of which program door was opened first or how complex the challenges of the moment appear, the shared goal is always the same: to find our way home again.

Regardless of whether a client comes to Victory as an individual or with their family; who the person is or how they identify; if they are seeking addiction recovery services, health-stability assistance for HIV/AIDS, hepatitis C or hoping to end a cycle of homelessness, "the ache for home lives in all of us" (Maya Angelou). Our priority at Victory Programs is to guide clients through client-centric interventions and evidence-based practices to secure the essential health and housing resources they need to live independently and instill them with the confidence it takes to keep their home.

Almost all who come to Victory Programs are struggling and alone: isolated because of HIV status; in despair because of addiction; incapacitated by the daily stress and fear of homelessness. Whether they discover a new community of peers at the Boston Living Center; or the compassion of shared recovery in one of our treatment homes; or a sense of security in one of our family transitional programs, all Victory Programs' clients begin their journey home with care, compassion and a commitment to health.

For more than 40 years, Victory Programs has been recognized as a vital bridge between hopelessness and hope; fear and courage; losses from the past and the serenity of a new beginning. Our agency has earned its respected reputation as a pioneer, taking on the most pressing, emerging health concerns facing Boston's most vulnerable populations.

Clients, residents, guests and members in our distinctive health, housing and prevention divisions share experiences, strengths and hopes with capable peers, advisors, concierges and counselors. Each year our staff are aided by hundreds of volunteers and interns who take the time and make the effort at programs like ReVision Urban Farm, the Boston Living Center, ReVision Family Resource Center and our recovery homes. By motivating each other every step of the way these responsive, sensitive and supportive communities are often the influential and inspiring first step home.

Victory Programs isn't where those who ask for help "end up." Instead it is where people come to "begin again." Every individual at Victory Programs has an opportunity to discover a new personal journey. Whether the road they travel is meandering or straight; bumpy or smooth; narrow or wide - all paths lead to the same destination: coming home to victory.

Pamela C. Feingold, *Chair of the Board*

# coming home to victory

This year – because of the extraordinary outpouring of generosity and support from individuals, foundations, corporations, public funders and supporters like you – we are on the way to achieving what many deemed impossible: opening two essential, new women’s residential recovery homes.

These exciting state-of-the-art programs will replace our 47-bed facility lost in 2014 on Boston Harbor’s Long Island when the City of Boston, without warning, closed the island’s only access bridge leaving our clients and staff scrambling to permanently evacuate.

To rebuild again and reestablish these life-saving recovery services after a staggering financial and clinical blow is a monumental victory. It has taken tireless grassroots organizing, willpower, determination and tenacity on everyone’s part. This groundswell of inspiring community support helped us find a way to start again, to rebuild from scratch against all odds. From the beginning we were convinced this was not just the right thing to do; rather, it was the only thing to do; the only road to follow home.

We took heart from the rallying cry from supporters: “If anyone can rebuild from such a significant blow, Victory Programs can do it.”

## **AND WE DID!**

On February 22, 2016, Victory Programs opened the first of two critical, new residential treatment programs for women: “New Victories for Women” – a 14-bed treatment facility in the Uphams Corner neighborhood of Dorchester. By the close of 2016, we will open the second site in Roxbury – the “New Joelyn’s Home” – a custom 24-bed facility in the heart of Boston for women seeking addiction treatment and recovery.

Although 2015 was a year of struggles and challenges for Victory Programs, giving up on our goal to rebuild our women’s residential programs was never an option. Because of the generosity and support of our friends and allies, donors and supporters, women’s recovery services are finally coming home to victory.

It is important to celebrate this hard won victory for our agency and for women's recovery services. It is also essential to focus on the urgent need for more evidence-based residential addiction treatment services and low-threshold permanent housing for individuals and homeless families. The distinguishing feature of Victory Programs' history has always been our willingness to take a leading role in addressing the most pressing public health issues of our time - often long before those issues were widely recognized or even funded. Victory Programs' core competence continues to be confronting the emerging health issues facing our communities and most vulnerable members, always as advocates for those most ignored, neglected, marginalized or denied treatment or housing.

## Celebration of Life Thanksgiving Dinner

Each November, we look forward to an unforgettable evening at the Hynes Convention Center for our annual Celebration of Life Thanksgiving Dinner, a wonderful community event free of charge for anyone living with HIV/AIDS, and their loved ones. This year's celebration featured a traditional Thanksgiving meal with all the trimmings, live performances by Woza Moya and the Boston Gay Men's Chorus and a popular Resource Fair with over 30 participating organizations. The Celebration of Life is also an opportunity to recognize individuals who have dedicated their lives to advocating for the HIV/AIDS community with the Peter Daniel Clark Award. On Tuesday, November 10, we were honored to present this year's award to superstar AIDS advocate and leader Larry Kessler, who founded the AIDS Action Committee of Massachusetts. Thanks to our generous sponsors, long-time friends and more than 200 dedicated volunteers the Celebration of Life raised over \$121,000 for the Boston Living Center.

## Gratitude Dinner

On Tuesday, March 24, Victory Programs held its 40th annual Gratitude Dinner at Venezia in Boston. This yearly tradition brings together Victory Programs' clients, staff, board members and special guests to reflect on our gratitude and to present the Manny Jefferson Gratitude Award for excellence in volunteerism. The 2015 Manny Jefferson Award recognized our longtime dedicated supporters, the FLAG Flag Football League. Special guest, Lydie Ultimo, Director of the Bureau of Substance Abuse Services, presented Victory Programs with an honorary citation in celebration of our 40th anniversary. This heartfelt event culminated in our clients sharing their experiences of strength, hope and gratitude discovered at Victory Programs.

## Dinnerfest RED Party + Auction

On Sunday, April 26, Victory Programs hosted our 25th annual Dinnerfest RED Party + Auction at Red Lantern. This culinary-themed event offered guests the opportunity to bid on amazing dining packages from the area's most acclaimed restaurants, tickets to theaters and sports events, premium hotel stays and one-of-a-kind experiences. Dinnerfest 2015 was particularly special as we celebrated Victory Programs' 40th anniversary of opening doors to hope, health and housing. 40th anniversaries are traditionally celebrated with a ruby theme – a poignant match for our signature red door and the red ribbon that signifies HIV/AIDS awareness. Guests got into the spirit of the occasion by wearing festive red attire and posing for photos in front of our red door. The event welcomed more than 200 guests whose generosity, combined with our incomparable corporate sponsors and in-kind donors, raised a record-breaking \$88,000 for the agency!

## Drive for Victory Golf Tournament

On Monday, June 29, Victory Programs welcomed 100 golfers to the beautiful, members-only Wollaston Golf Club in Milton for our third annual Drive for Victory Golf Tournament. Golfers enjoyed a fun day on the course, lunch and awards in the Club's stunning dining room, live and silent auctions and a great raffle. With the help of our devoted committee and the generosity of our corporate sponsors, in-kind donors and golfers, Drive for Victory raised over \$44,000 to support Victory Programs' Health and Housing Divisions.

## Summer Sports Tea Dance

On Sunday, August 30, Victory Programs partnered with our great friends at dbar and our phenomenal LGBT sports partner, FLAG Flag Football, for our fifth annual Summer Sports Tea Dance on Sunday, August 30. This year's special spirited event was one for the history books! A record-breaking 600 guests in attendance and more than \$10,000 was raised for hope, health and housing! The Summer Sports Tea Dance draws in support from Boston's LGBT sports community. It is held annually the Sunday before Labor Day weekend at Dorchester's finest restaurant and club dbar.

## Holiday Party for Kids in Shelter

The George Washington Carver Grand Lodge in Roxbury was transformed into a winter wonderland and families in our shelter programs – Chamblet, Portis and ReVision Family Homes – were treated to a holiday party for the ages. With the help of Timothy Baptist Church, which helped decorate the space and provide gifts; performances by a local dance troupe and singer; dinner courtesy of Anna’s Taqueria and everyone’s favorite – Santa Claus – Monday, December 14 was a day to remember. Every child at the party delighted in the holiday and received gifts.

## About Victory Programs

Since opening our doors in 1975, Victory Programs has expanded to 17 health, housing and prevention programs in Boston, Cambridge and Topsfield. Every year we help more than 2,300 individuals and families break down barriers to a brighter future. Our programs serve people who are facing homelessness, drug and alcohol addiction, mental illness or chronic illnesses like HIV/AIDS and provide them with the tools needed to support healthy, self-sufficient lives.
