

YOUR DONATION AT WORK, ALL YEAR LONG

JANUARY

For our clients, New Year's resolutions to get healthy can bring them to our programs any month of the year. Your monthly gift helps ease their transition by providing clients with toothpaste, deodorant and other needed toiletries.

FEBRUARY

The love of Valentine's Day isn't enough to keep our programs warm in the winter. Monthly gifts help cover the cost of heating our programs that house men, women and families year-round.

MARCH

Some programs require clients to be enrolled in school or employed. Donations like yours can help our clients secure MBTA passes that make it easier for them to get where they need to go!

APRIL

No April Fools here—your gift helps! Donations support our ReVision Urban Farm internship programs for ReVision Family Home residents and Boston youth, providing job skills to people who need it most!

MAY

Victory Programs has two programs for women with children. By making a monthly donation you're helping a family spend Mother's Day together in a safe, caring environment.

JUNE

Every year Victory House holds a Father's Day cookout to help our clients rebuild and improve their relationships with their loved ones. Your monthly donation makes events like these possible.

JULY

When the summer comes, clients at ReVision Family Home can count on our ReVision Family Resource Center as a safe, fun place for their kids to spend the day. Your donations help provide art supplies, healthy snacks and more.

AUGUST

Keeping our programs cool during the warm summer months means higher electric bills. Monthly donations like yours help make heat waves and New England humidity more comfortable for our clients and staff.

SEPTEMBER

Each year, we house more than 100 children under the age of 18. Donations like yours help us supply these young students with back to school essentials like notebooks, backpacks and sneakers.

OCTOBER

With crisp autumn weather comes the need for warm bedding, blankets and throws. Small items like these are essential and need to be replaced often. Your donations provide the support for replacing linens in our programs.

NOVEMBER

Monthly donations like yours can help feed guests at our annual Celebration of Life Thanksgiving Dinner for clients living with HIV/AIDS and their loved ones. Forty-seven percent of our clients are living with HIV/AIDS.

DECEMBER

In December, we reflect on the end of a year and take stock in the achievements and challenges it brought. As a monthly donor, you helped to support the 2,600 individuals we serve every year. Thank you.
