

How do I #unSelfie?

1) Get a marker and on the opposite side fill out why you support Victory Programs. Use one of the above or write your own.

2) Take your picture with the sign you made.

3) Post it on Facebook, Twitter and/or Instagram and share with friends!

Use the #unselfie and #victorymeans hashtags in your post and don't forget to tag us @victoryprograms and/or share a link to vpi.org
