Davio's Boston | December 6, 2017

Landry & Arcari hosted "Design. Dine. Do Good." to help raise funds for Victory Programs. Designers from around Boston created special holiday place settings as they competed for prizes that included a weekend getaway to Provincetown. The winners were Ken Dietz in first place and Dennis Duffy in second place. Victory Programs sends big thanks to all participating designers—Eric Rosoff, Ryan Tirrell, Molly Pidgeon and Eric Haydel; event host Landry & Arcari; and Davio's Boston for the amazing food.
