Celebration of Life Thanksgiving Dinner

Hynes Convention Center | Boston
November 20, 2018

Victory Programs' annual Boston Living Center Celebration of Life Thanksgiving Dinner was a smashing success. Dawn Fukuda was honored with the Peter Daniel Clark Award, and Wilson Valencia the Brenda Bellizeare "BIG" Better It Gets award. Supporting this year's event were generous donations from volunteers, agency friends, community partners and corporate sponsors including Title Sponsor, Walgreens. The event featured a traditional, sit-down dinner with all the fixings; knockout performances by DJ Ollie, Woza Moya, and World Premier Band; a resource fair of community organizations; and winter care kits, provided by generous partners at Bank of America, Building Impact, United Way, and Temple Beth Avodah.
