Boston Living Center Wish List

The BLC offers a wide range of services to our members. Sometimes it's being able to give a new member some personal care items or a few household items to assist them in setting up a new home. In striving to always meet the needs of our members there are many items that are handy to have around the Center. There are also things that come up that would make the daily work run a little more smoothly for BLC staff.

Some of the items we need are small, some a little larger in scope. But all are much needed around the BLC. Please keep in mind as you read over the list and think about what you can give, that we don't have a great deal of storage space and cannot accept all donations. Please give us a call at 617-236-1012 first to let us know what you would like to donate. Thanks.

For Our Members

- Bedding (new only please!)
- Household items, e.g. hangers, hot plates (new only please!)
- Personal care items (toothbrushes, toothpaste, soap, shampoo, hair brushes, tissue, etc.)
Please note we have a preference for hygiene items and Kleenex in travel size so we can create "Positive Care Kits" for our members.

- Speakers/sound system – iPod speakers and/or a small sound system for programs
- New technology for staff
- Computers – if you (or your company) are upgrading and don't know what to do with your old computers, etc., that are still in great working condition and less than three years old, call us up and we can see about arranging a donation.
