

HOLIDAY 2023 Wish List

Bring comfort and joy to Victory Programs this holiday season!

GIFT CARDS: This holiday season, **we hope you will consider gift cards as your best, easiest, and safest giving option for the nearly 4,000 individuals and families in our care.** The following retailers are preferred: **Amazon, Old Navy, Stop & Shop, Target, Walgreens, CVS, and Dunkin'.** Gift cards allow our clients to choose what they want and need for themselves and their children.

AMAZON: Another no-fuss option is our [Amazon Holiday Gift Registry](#) where you can purchase gifts requested by our clients, and the items will automatically be shipped to Victory Programs. Please note we've added some gift cards available through Amazon for purchase, but a few only have options at the \$25 level or higher, so you may want to buy directly from the retailer in some cases.

IN-STORE: You may also shop in stores for items detailed on our Holiday Wish List below broken down by adults and children in our residential programs, members of the Boston Living Center living with HIV/AIDS, and our Mobile Prevention Team for distribution to individuals living on the streets. All items must be new and in original packaging. Neutral and solid colors are preferred for clothing and winter wear items.
