At Victory Programs, our promise is simple: service, treatment, support, and care for everyone—no matter what.

Today, we act as a protective roof over our community's head—bringing access to safe, stable housing, health-focused care, and evidence-based support strategies all under one roof.

As we navigate a changing landscape of funding uncertainty, our corporate, community, and individual partners provide the sturdy foundation we need to hold the line. By supporting a Victory Programs event or program, you play a vital role in keeping our red doors open while demonstrating a shared commitment to building a safer, healthier, and more inclusive Greater Boston.

Why Partner with Victory Programs?

AMPLIFY YOUR BRAND: Gain high-profile visibility across our events, digital channels, and media networks, putting your brand in front of Greater Boston's civic leaders and dedicated changemakers.

ENGAGE YOUR TEAMS: Access meaningful, team-building group volunteer opportunities that directly serve our neighbors and foster a corporate culture of community care.

CHAMPION CIVIC HEALTH: Align your corporate values with a 50-year legacy of evidence-based care, directly supporting pathways to stable housing and addiction recovery.

Let's Build Your Impact Together

Take a look through these partnership opportunities to identify the best fit for your team. Whether you choose an existing tier, want to customize a package, or wish to explore a multi-year relationship, we are ready to build a meaningful partnership with you.

7,800+

Households reached through monthly e-newsletters.

5,900+

Engaged social media followers.

42,900+

Nutritious meals served annually at the Boston Living Center.

The Moving Forward Fund:

Bridging the Gap to Permanent Housing

vpi.org/moving

The transition from a shelter to permanent supportive housing is a moment of profound victory, yet it is also a point of extreme systemic vulnerability. For many Victory Program clients, the final step remains out of reach simply because they cannot afford the hidden costs of moving.

Funding for client relocation resources in our **Community-Based Housing programs** has been depleted. Even after an apartment is secured, expenses like moving van rentals, furniture transport, utility connection fees, and basic household items create steep financial hurdles. Without assistance, clients face move-in delays, risk losing hard-won housing opportunities, or start their new chapter in empty apartments without a bed to sleep on.

The **Moving Forward Fund** provides immediate financial support for essential move-in expenses, ensuring clients step across the threshold into permanent housing with dignity, confidence, and basic household security.

Home for Good Partner \$5,000

Creates life-changing transitions for 30 individuals or families, funding comprehensive move-in assistance, professional movers, and essential furniture setup.

Open Door Sponsor \$2,500

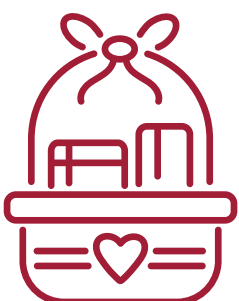

Provides moving assistance for 15 individuals or families, removing one of the final barriers to housing stability.

New Beginnings Sponsor \$1,000

Provides critical moving support and furniture delivery for 6 households taking their first steps toward long-term independence.

Welcome Home Ally \$500

Covers transportation, moving van rentals, and move-in supplies for 3 individuals or families.

Hands-On Team Engagement & Recognition

Pair your monetary commitment with meaningful employee engagement:

- **Welcome Home Basket Build & Lunch:** Host an in-office basket build using our curated supply registry to assemble essential kitchen and bath supplies, paired with a live "Lunch & Learn" session led by a Victory Programs housing expert.
- **Virtual Engagement Option:** Combine your company's sponsorship gift with a virtual chat and educational session for remote or hybrid teams, hosted by one of our subject experts or executive team.
